Notes for Sieur BEAUFORT Hilaire dit Beaufort Limousin:

Our first Canadian ancestor was Hilaire Limousin. He was born in Poitiers, France, in 1638, son of Pierre Limousin and Isabelle Frandin. He came to Canada in 1665, probably among the 700 immigrant settlers to New France. He took abode in Champlain, near Quebec, where he married Antoinette Lefebvre on November 9, 1671. His wife was the daughter of Charles Lefebvre and Loise Prud'homme. In his marriage contract, he signed: Hilaire Limousin, Sieur de BEAUFORT. He had inherited that "siegneurie", July 30, 1656, from Robert Gifford, in France.

**BRUNELLE**: This name appears for the first time at the third Canadian generation at the wedding of Pierre Beaufort, dit Brunelle, in 1751.

While he cultivated his farm, Hilaire also kept busy with his tailoring profession. He had numerous children. Many daughters were born before the 1681 census. We know that three sons, Francois, Joseph and Pierre were born after this census. These three sons married and settled at Champlain. Their offsprings multiplied in this and neighbouring parishes, especially at Batiscan where a great number of Brunelle may yet be found.

Hilaire was buried at Champlain, May 16, 1708

He took ship from La Rochelle on the L'Aigle d'Or on May 13, 1665. he was a member of the Compagnie LaFradière part of the Carignan Regiment. Arrived in Canada on August 17 1665. After his soldiering, he was a taylor
