Well team it is official we are back in action after a 3 year sabbatical. I know you wait by your computers each year for an email from Tom (our ironman) but you will have to settle with me this year. Tom will miss this years tournament for the first time ever in the history of the Bandits but promises to have a beverage for us on the beach. This very important email needs your attention as soon as possible so rooms and entry roster can be entered.

Roger has agreed to take on a few responsibilities during Tom's absence.

- Baby sit Dominic to ensure he fills the buckets with ice and beverage prior to each game
- Collect \$60 dollars from each of you for the tournament entry fee and all the beverage you can consume.
- Trophies
- Assist me with anything else that requires strength or communication. Lol

I have reserved 6 rooms at the quality inn but need to attach names to the rooms, so for the boys from out of town please let me know who you are rooming with. I am not much of a match maker but here is what I am suggesting.

As usual I will pay the entry fee, buy the beverages with the money collected and if there are funds still available we will order Pizza from Petawawa pizza on Saturday night.

I will send out the schedule as soon as I get it. I requested 6 pm on Friday which has worked great in the past. Sunday is up to Dave on when he wants to play. Lol

Please let me know as soon as possible if you still plan on playing. I have lots of people on a waiting list if for some reason you can't make it.

Please confirm, you need a room and you agree with the match making I have laid out.

Let me know if I have missed someone. If you plan on stopping by my place on the way to Petawawa let me know so I can be prepared.

Don Trylinski
